

Strategic Planning and Support

The Center for Organizational Excellence, Inc. (COE) believes planning cannot account for all activities in an organization. But, a clearly laid-out plan, properly cascaded throughout the organization, provides the strongest template for organizations looking to achieve results.

Strategic planning is essential for the long-term health of any organization. In fact, an organization's success depends on its ability to achieve a vision based on important imperatives. We can help you define and refine the vision for your organization - and map out a clear path to achieve it.

What is Strategic Planning and Support?

Strategic planning is essential for the long-term health of any organization and includes:

- Strategic planning
- Business planning
- Strengths, Weaknesses, Opportunities, and Threats (SWOT) analysis and research
- Leadership vision formulation support
- Development of critical success measures

What are the Benefits?

A strategic plan provides a roadmap for developing the capability and capacity of the workforce to achieve the organizations' overall mission. We will make certain you have:

- An achievable plan
- Effective outcomes
- Clear and measurable goals
- A focus on priorities

What can COE Offer?

- We provide consulting support to help you define a sound strategy and navigate a clear path to success
- We use an integrated approach to help focus your organization's resources on key imperatives - so that you may achieve significant results
- Our expertise and insights enables us to guide our clients to produce meaningful plans that are clearly defined, realistic, and ready for implementation
- We will help communicate your new plan to all key stakeholders
